

March 29, 2016

FOR IMMEDIATE RELEASE

Construction Work on US-83, R-56F – North Platte

Weather permitting, construction will begin on March 31, on US-83 between R.P. 76+67 and R.P. 79+69, according to the Nebraska Department of Roads.

The work on this project starts just south of State Farm Road to North Lake Road near Lake Maloney and includes concrete pavement repair, asphalt surfacing, rumble strips, bridge work, and earth shoulder construction for 2.9 miles. Traffic will be reduced to one lane each direction during construction and will have 12' width restrictions. Some delays should be expected. The work is anticipated to be completed in the fall of 2016.

Motorists are reminded to drive cautiously through construction zones.
